DOCKET NO. 06M-626T

IN THE MATTER OF THE PROPOSED RULES PRESCRIBING THE IMPLEMENTATION OF ARTICLE 17 OF TITLE 40, C.R.S. THE TELECOMMUNICATIONS RELAY SERVICES FOR THE DISABLED TELEPHONE USERS, 4 CCR 723-2-2800.

ORDER SETTING THE UNIFORM CHARGE FOR EACH APPLICABLE ACCESS LINE AT SEVEN CENTS PER MONTH TO SUPPORT THE COLORADO TELECOMMUNICATIONS RELAY SERVICES FOR DISABLED TELEPHONE USERS

Mailed Date: November 20, 2006 Adopted Date: November 15, 2006

I. BY THE COMMISSION

A. Statement

- 1. The Colorado Telecommunications Relay Services for Disabled Telephone Users (TRS) was established by the Colorado Legislature in 1989. See § 40-17-101, C.R.S. et seq. The Commission, in 1994, adopted Rules Prescribing the Implementation of Article 17 of Title 40, C.R.S. Telecommunications Relay Services for Disabled Telephone Users, now codified at 4 Code of Colorado Regulations (CCR) 723-2-2800, et seq. Pursuant to Rule 4 CCR 723-2-2827(a), the Commission shall determine, and by appropriate order, impose a uniform charge on each business and residential access line in a uniform amount in order to fund the TRS program. Such charge may be adjusted on or before July 1 of each year. Rule 4 CCR 723-2-2827(b) provides:
 - (I) The uniform charge imposed pursuant to § 40-17-103(3)(a), C.R.S., shall be billed to each access line provided by each LEC.

- (II) The uniform charge shall not be included in each subscriber's bill as part of the subscriber's base rate. The uniform charge shall be listed as a separate item appearing on each customer's monthly billing statement as rendered by each local exchange provider. The charge shall be listed as the "Colorado Telecommunications Relay Service Fund".
- 2. Pursuant to Rule 4 CCR 723-2-2827(b)(IV) every month each local exchange provider shall submit to the Commission a completed "Colorado Telecommunications Relay Service Surcharge" form. This form is available from the Commission or its website. See Exhibit A to this Decision.
- 3. Considering the current fund balance, revenue, and expenditure projections for FY 2006-2007, the Commission finds it necessary to decrease the TRS uniform charge on each eligible access line beginning January 1, 2007. The current uniform charge of ten cents per access line per month shall be decreased to seven cents per access line per month.

II. ORDER

A. The Commission Orders That:

- 1. Effective January 1, 2007, the uniform charge imposed upon each business and residential access line to fund the Colorado Telecommunications Relay Services for Disabled Telephone Users program, is decreased from ten cents per access line per month to seven cents per access line per month, to comply with the requirements of § 40-17-103(3), C.R.S.
- 2. Every month, no later than the last day of the month for the presiding month, each local exchange provider shall submit the amount due to the Commission and the completed "Colorado Telecommunications Relay Service Surcharge" available from the Commission's website.

Decision No. C06-1345 DOCKET NO. 06M-626T

3. The uniform charge of seven cents per month shall be included in each applicable subscriber's bill as a separate line item and shall be listed as the "Colorado Telecommunications Relay Service Fund".

- 4. The 20-day time-period provided for by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration begins on the first day after the mailing of this Order.
 - 5. This Order is effective upon its Mailed Date.
 - B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING November 15, 2006.
